Jill D'Olive

Dear Jill,

This letter will serve as an amendment to your 2005 Annual Operating Instructions. You requested an extension of your time in the East pasture. I am granting the extension. However I must note that this pasture was scheduled for rest this year with the exception of June and October for branding and shipping. Because cattle have been seen in this pasture on numerous occasions throughout the year and outside June and October, it is likely necessary that the East pasture be scheduled for rest again next year. This will be discussed at your annual validation meeting this winter.

Your rotation schedule for the remainder of the 2005 grazing year for the Long Canyon allotment is hereby modified as follows:

1. Management System:

Pasture	Time Frame
West Pasture	06/1-12/15 (all cattle)
South Pasture	12/16-02/28
East Pasture	Use 10/1-11/30 shipping (all cattle)

As always if you have any questions or comments please contact Collin Ewing or myself at this office.

Sincerely,

~~/s/LAURA VALLEJOS ACTING DISTRICT RANGER~~
