Dr. Marinel Poppie

Glenwood, NM 88039

Dear Dr. Poppie:

Per your conversation with George Douds on March 4, 2008, this letter corrects the grazing schedule found on page 1 of your 2008 Annual Operating Instructions. Cattle are to remain in Frisco Pasture until 05/31/08. Cattle are then scheduled to be moved to Cabin Pasture on 06/01/08. The remaining grazing schedule is unchanged. This letter supersedes the letter dated March 4, 2008.

If you have any questions please contact George Douds or me at (575) 539-2481.

Sincerely,

Pat Morrison  
District Ranger
