Dear Mark,

As you requested on May 13, 2008, I am amending your Annual Operating Instructions (AOI) for the 2008 grazing year. This amendment is in reference to increasing your 2008 authorized livestock numbers from 30 head upto 50 head for the remainder of the 2008 grazing year beginning July 1, 2008. Please review.

**AMENDMENT #1**

Cross V 2008 Pasture Rotation:

Pasture	Livestock Number	Time Frame

Devil's Canyon	30 Cow/Calf	6/16-6/30 (all cattle)
Devil's Canyon	50 Cow/Calf	7/1-8/31(all cattle)

cottonwood/ outlaw	50 Cow/Calf	12/1-2/28 (all cattle)

Please notify us of cattle movements onto and off of the allotment, as well as refinements that may be needed to enhance the management system. If you identify the need to differ from this management system by more than 15 days, please contact this office at least two weeks in advance so that the District has time to conduct monitoring and assess your request.

If allowable use levels are met and/or exceeded, livestock will be required to be moved to available forage within the pasture or to the next scheduled pasture. If no pastures are available livestock will be required to be moved off of the allotment.

Prior to putting additional livestock on the allotment, the bill for collection for the additional 20 head must be paid. In addition, you will need to provide proof of ownership of livestock to this office.

As always if you have any questions or comments please contact Jerry Turner, Jesarey Barela or myself at this office (575)533-6231.

Sincerely,

/s/ John D. Pierson
