Dear Jim and Judy,

As you requested on June 30, 2008, I am amending your Annual Operating Instructions (AOI) for the 2008 grazing year.

AOI (Annual Operating Instructions) Amendment #1

Authorized	From	To	Allotment
440 cow/calf	3/1/08	2/28/09	O Bar O

Elk Spring	7/1-7/31 (30 head)
O Bar O Canyon	7/1-7/31 (4 head)
O Bar O Mountain/ Hay Canyon/ Scrub Oak	6/1-10/31 (all cattle)
Horse Camp/ O Bar O/ Elk Spring	11/1-2/28 (all cattle)

Please monitor use levels in Elk Spring and O Bar O Canyon. If utilization levels meet allowable use levels, you will need to either move livestock to available forage within the pasture or to the next scheduled pasture. Particular areas to monitor are P7 within the Elk Spring area and the canyon bottom along Forest Road 30 in the O Bar O Canyon pasture.

I appreciate your efforts in managing this allotment and maintaining communication with Jesarey in adjusting livestock management for the benefit of the resource.

If you have any questions or concerns, please do not hesitate to call Jesarey Barela, Jerry Turner or myself at (575) 533-6231.

Sincerely,

/s/ John D. Pierson
