**ABOUT THIS MAP**

This map shows Umatilla National Forest System roads and trails on National Forest System lands for the purpose of dispersed camping is permitted on ORS 332.105. National Forest System lands.

- The designation of a road, trail, or area for motor vehicle use by the Forest Service includes: parking, trail width, and motor vehicle speed limits.
- The designation also includes the types of vehicles that are allowed on each, and the date the designation begins and ends.
- Motor vehicles may be parked within one vehicle length from the centerline of the road.
- Designated roads, trails, and areas may also be subject to other restrictions such as seasonal or temporary closures.

**CAMPING**

Motor vehicle use on or off of designated roads on National Forest System lands is prohibited unless otherwise designated.

**PARKING**

Motor vehicles may be parked within one vehicle length from the centerline of the road.

**OPERATOR RESPONSIBILITIES**

Motor vehicle operators should take care to not cause damage to National Forest System lands.

**PROHIBITIONS**

It is prohibited to operate a motor vehicle on National Forest System lands except on designated roads, trails, and areas designated for the motor vehicle use under 36 CFR 261.53.

**IMPACTS**

The impacts of motor vehicle use on National Forest System lands include

- Soil compaction
- Compromising water quality
- Compromising wildlife habitat
- Compromising cultural resources

**IMPACT Mitigation**

Motor vehicle use on National Forest System lands may be prohibited by state law, a traffic sign, or an order causing damage to NFS resources or facilities, unless prohibited by state law, a traffic sign, or an order.

**FOR MORE INFORMATION**

Requests for clarification should be directed to the Umatilla National Forest.
