Purpose and Contents of this Map
This map shows National Forest System roads and trails on this side of the National Forest System lands. The map is designed to help users understand the various motor vehicle use designations that apply to these roads and trails. The map also includes information on emergency closures and seasonal designations, as well as symbols for campsites and water resources. The map is updated periodically to reflect changes in the use of these roads and trails.

Legend
- Road and Trail Symbols
- Emergency Closures
- Seasonal Designations
- Other Public Roads
