### Motorized Cross-Country Travel

There are no areas open to off-road use except as listed in this map. These designations apply only to National Forest System roads, National Forest System trails, and areas on National Forest System lands.

### CAMPING

Motor vehicle use is allowed on designated wilderness study areas for camping activities in accordance with these designations.

### PARKING

Motor vehicle use may be allowed within a vehicle length from the edge of the road surface when it is safe to do so without causing damage to NFS resources or facilities.

### OPERATOR RESPONSIBILITIES

Motorized recreation users are responsible for respecting the health and safety of all users. For your safety, never operate a motorized vehicle if you are under the influence of alcohol, drugs, or any other substance that may affect your ability to operate the vehicle safely. peeled tires, uneven road surfaces, and water crossings may result in vehicle damage.

For more information, please visit the USDA Forest Service website or contact your local National Forest office.
