Welcome

Ranger District
Upper Lake
Mendocino National Forest
Supervisor's Office.

Vehicle Use Map (MVUM). The MVUM shows National Forest manages the roads, trails, and areas

MVUM shows the National Forest System roads, National Forest System trails, and the areas on National Forest System land that allow cross-country travel by Motorized Mixed-Use Opportunity for a variety of motor vehicles, like a passenger car and an ATV, to travel responsibly.

The Red Sticker is for motorcycles and ATVs. All OHV vehicles larger than 250 cubic inches, including RTVs and UTVs, require a red sticker to be legal on the roads or trails. A debit or credit card to pay the registration fee is also required. A valid California
driver’s license or current state ID is required to operate any vehicle.

Vehicles must never be operated in a manner likely to cause damage or injury. Always wear a helmet and eye protection. DO NOT OPERATE 4-WHEELERS OR ATVS ON PAVED ROADS.

State and Federal law prohibit operating any vehicle off the road or trail.

State-approved safety certificate required only if such certificates are required by the State or local government. OHV registration is required in California. Non-Resident Permits are available for those who do not live in California or have a California driver’s license. See the Forest Service Picnic Area, North/South Ridge, 18N69, 3000 ft. National Forest Primary Road.

OHV regulations are set by the California Department of Resources and Parks. The California OHV Act provides for the management of OHVs on federal, state, and private land. OHV regulations are enforced by the Forest Service, the California Department of Resources and Parks, and local governments. OHV registration is required in California. Non-Resident Permits are available for those who do not live in California or have a California driver’s license. See the Forest Service Picnic Area, North/South Ridge, 18N69, 3000 ft. National Forest Primary Road.
