

Welcome to the North Fork John Day Ranger District of the Umatilla National Forest! While snow has thawed in lower elevations, most areas in higher elevations still have snow and snow covered roads. Forest staff have been assessing current conditions to provide updates on which routes are passable at this time.

Road name	Status
Forest Service Road (FSR) 10	Passable to the FSR 45
FSR 52	Open - watch for rocks in road
FSR 53	Open
FSR 55	Open but bumpy
FSR 54 South	Passable to Hideaway Springs
County Road 21	Open
Yellowjacket Road	Open
FSR 5226 (Tower Mountain Rd)	Passable 1.5 - 2 miles past the turnoff to Frazier Bunkhouse

The North Fork John Day Ranger District has 14 developed campgrounds, 4 cabin rentals, and numerous dispersed campsites available. At this time, most recreation sites are located at higher elevations that are still blocked by snow. The chart below provides status updates for campgrounds on the District. Recreation staff have started clearing hazard trees within campgrounds, but some start-up work remains and not all amenities may be available at this time.
