The designations shown on this motor vehicle use map

It is the responsibility of the user to aquire the current MVUM. This MVUM shows the National Forest System roads, National Forest System trails, and the areas on National Forest System lands in the Davy Crockett National Forest that are designated for motor vehicle use pursuant to 36 CFR 212.51. This MVUM also identifies the vehicles classes allowed on each route and in each area and any seasonal restrictions that apply on those routes and in those areas.

use by a particular class of vehicle under 36 CFR 212.51 should not be interpreted as encouraging or inviting use, Roads open only to motor vehicles licenced under State or to imply that the road, trail, or area is passable, actively maintained, or safe for travel. Motor vehicle designations include parking along designated routes and at facilities associated with designated routes when This symbol, used in conjunction with one of the other road it is safe to do so and when not causing damage to National Forest System resources. Seasonal weather conditions and natural events may render designated roads and trails impassable for extended periods. Designated areas may contain dangerous or impassable terrain. Many designated roads and trails may be passable only by high-clearance vehicles or four-wheel drive vehicles. Maintenance of designated roads and trails will depend on available resources, and many may distance of that route, solely for the purpose of dispersed receive little maintenance.

This motor vehicle use map identifies those roads. under 36 CFR 212.51 for the purpose of enforcing the prohibition at 36 CFR 261.13. This is a limited purpose. navigation purposes only and are not subject to designation under the Forest Service travel OPERATOR RESPONSIBILITIES management regulation.

These designations apply only to National Forest System roads, National Forest System trails, and

PROHIBITIONS

It is prohibited to possess or operate a motor vehicle on National Forest System lands on the Davy Crockett National Forest other than in accordance with these designations (36 CFR

Violations of 36 CFR 261.13 are subject to a fine of up to \$5,000 or imprisonment for up to 6 months or both (18 U.S.C. 3571(e)). This prohibition applies

regardless of the presence or absence of signs. This map does not display nonmotorized uses, oversnow uses, or other facilities and attractions on the Davy Crockett National Forest . Obtain a forest visitor map for more complete information.

assume full responsibility for these damages, risks, and Designated roads, trails, and areas may also be dangers. Motor vehicle operators should take care at all subject to temporary, emergency closures, and visitors must comply with signs notifying them of such restrictions. A national forest may issue an order to close a road, trail, or area on a temporary basis to protect the life, health or safety of forest visitors or the areas of the Davy Crockett National Forest . Operators natural or cultural resources in these areas. Such a should take adequate food, water, first aid supplies, and temporary and/or emergency closures are consistent with the Travel Management Rule (36 CFR 212.52 (b); 36 CFR 261 subpart B).

> The designation "road or trail open to all motor vehicles" does not supersede vehicle size or weight limits imposed through State traffic law.

Travel and recreate with minimum impact. Respect the environment and the rights of others.
