This motor vehicle use map identifies those roads, trails, and National Forest System lands in the Cascade Ranger District. It is designed to help prevent the misuse of the environment as well as other forest users. The misuse of forest resources and facilities can lead to serious consequences for both the forest users and the environment. It is important to avoid causing any harm to the environment.

**Prohibitions**

- No road closures.
- No hikers.
- No vehicles.
- No hiking trails.
- No National Forest System lands.

**Explanations of Legend Items**

- Forest Roads: Forest roads are maintained for public use and are accessible to any motorized vehicle.
- Other Roads: Other roads are maintained for public use and are accessible to any motorized vehicle.
- Trails Open to Motorcycles Only: Trails open to motorcycles only are maintained for public use and are accessible to motorcycles only.
- Trails Open to Foot Traffic Only: Trails open to foot traffic only are maintained for public use and are accessible only by foot traffic.

**Operator Responsibilities**

- Ensure that your vehicle is properly maintained and in safe condition.
- Adhere to all speed limits and road conditions.
- Avoid causing any harm to the environment.
- Be aware of the surrounding wildlife and be respectful of their habitat.

**Seasonal and Special Vehicle Designations**

- Winter and Summer: Winter and summer designations apply to the use of motor vehicles on roads, trails, and National Forest System lands. These designations may vary depending on the season and the location within the Cascade Ranger District.

Remember to protect yourself and those under your responsibility.
