Prohibitions

Prohibitions on Moab Ranger District roads, trails, and areas designated for the motor vehicle use under 36 U.S.C. § 548. Designation of a road, trail, or area for motor vehicle use by the Forest Service does not include any area encompassed by a Section 106(a) Environmental Impact Statement, and areas designated for the motor vehicle use under 36 U.S.C. § 548 do not include any area encompassed by a Section 106(a) Environmental Impact Statement. The Motor Vehicle Use Management Plan for the district authorizes the use of motor vehicles within the designated areas. Designations of roads, trails, or areas for motor vehicle use under 36 U.S.C. § 548 are subject to the authority of the Congress of the United States, the regulations of the Forest Service, and any applicable Federal, State, and local laws and regulations.

Operator Responsibilities

The designation “road or trail open to all motor vehicles” applies only to National Forest System lands and areas designated for the motor vehicle use under 36 U.S.C. § 548. The designation “road or trail open to all motor vehicles” applies only to National Forest System lands and areas designated for the motor vehicle use under 36 U.S.C. § 548 and includes all Federal, State, and local laws and regulations.
