Road Work
Contractors started work on Forest System Roads 739.1 and 175.1 in the Yankee Hill area of Clear Creek Ranger District earlier this week. While no delays are expected, forest visitors should expect to see heavy equipment in the area.

First Come, First Served Camping
Many of the campgrounds on the Arapaho Roosevelt Pawnee offer first come, first served sites, noted as such on our website and as "FF" on recreation.gov.

First come, first served sites are not reservable, and can be claimed if vacant when you arrive at a campground. While reservation check-in starts at 2 p.m., an available first come, first served site can be claimed at any time of day. Fees can be paid at the campground information kiosk.

Developed campgrounds are often full on weekends and holidays. Potential campers are encouraged to identify back up options, and to consider arriving earlier in the week. There are no real-time status updates on first come, first served availability.

For more information on specific campgrounds, visit the Campgrounds-At-A-Glance page.

Events Around The Forests
Forest Service staff will be at a variety of community events this week. Come by to talk about the Forests and Grassland.

June 27: Granby Music & Market
June 28: Greeley Stampede
June 30: Boulder PrideFest

Know Before You Go: Fourth of July
With Independence Day right around the corner, visitors can expect to see busy conditions across the Forests and Grassland. Campers should have backup options in case sites are unavailable.

As hot and dry conditions increase across the area, recreators should be mindful

Roads and Campgrounds
The next round of openings for roads and campgrounds starts this week, with some ongoing delays due to moisture and downed trees.

On the Boulder Ranger District, Pawnee Campground opens June 28, and upper parking lots at Brainard Lake Recreation Area open July 1.
Staff and volunteers also provide local information at **Idaho Springs Visitor Center** (Saturdays 10 a.m. - 2 p.m.), **Arrowhead Lodge** (daily 10 a.m. - 4 p.m.), and at several recreation sites across the Sulphur Ranger District on weekends.

In Larimer County, Long Draw road and Long Draw and Grandview campgrounds will open July 1.

More information can be found on our **Roads Status** and **Campgrounds At-A-Glance** pages.
