Spring is Here!
Whether you're a migratory birdwatcher, an avid late-season skier, or just a fan of unpredictable and constantly changing weather conditions, the ARP in the spring has something for you! Let us know your favorite part of springtime on the National Forests and Grasslands by emailing VisitARP@usda.gov.

Volunteer Opportunity

Grand County Wilderness Group will host a public new member orientation this Saturday, March 23, at 1 p.m at the Granby Library. Join existing members and Forest Service staff to learn more about volunteer opportunities on the Sulphur Ranger District.

Volunteer organizations operate across the National Forests and Grasslands, and provide thousands of hours of support for the Forest Service mission annually. Learn more about volunteering on the ARP on our website.

Nature Connects Us

Learn about the Nature Connects Us campaign through this quick overview we shared at this month's Community Connections. Watch all of the recordings on Vimeo.

Nature Connects Us is a Forest Service-wide campaign to increase awareness and appreciation

Pile Burning

With existing snow coverage supplemented by last week's storm, pile burning resumed this week on Canyon Lakes.

Fire staff started ignitions on both hand and machine piles in the Elkhorn and Boy Scout Ranch areas on March 20. Smoke and flames may continue to be visible in the area.

Main Draw Event

On March 23, Forest Service staff and partners will host the first Off-Highway Vehicle (OHV) Day of 2024 at the Pawnee National Grassland's Main Draw OHV Area.

Staff will be on site 10 a.m. - 2 p.m. to share information on safe and responsible OHV usage on National Forests
of National Forests and Grasslands by sharing stories of how nature connects us. Learn more about the campaign at natureconnectsus.org.

Further information about pile burning and prescribed fire, along with our interactive pile burning map, can be found on our Inciweb page.

OHV Days will be held across Northern Colorado throughout the spring and summer. Further dates and locations will be announced in this newsletter and on our website.
