

Putting Out A Campfire

For information about fire restrictions and closures, contact the following Forest Service offices: Bankhead District (205) 489-5111

Keep plenty of water handy and have a shovel for throwing dirt on the fire if it gets out of control.

Stir the remains, add more water and stir again. Be sure all burned material has been put out and cooled.

Be sure your match is out cold. Break it so you can feel the charred portion before discarding it.

Feel all materials with your bare hand. Make sure that no roots are burning.

Drown the fire with water. Make sure all embers, coals and sticks are wet. Move rocks - there may be burning Embers underneath.

Campfires may be banned if wildfires are likely. Watch for signs and obey them.
