Upcoming temporary employment opportunities on the Malheur

John Day, Prairie City, and Hines, Ore. – The Malheur National Forest, located in Pacific Northwest Region of the USDA Forest Service, will soon be advertising temporary positions across the forest in December. The positions will be in specialties such as fire, silviculture, timber, recreation, fisheries, botany, wildlife, range and archeology.

“If you are interested in working with a dedicated team of people who take pride in managing public lands, we invite you to consider joining the Forest Service,” said Regional Forester Jim Peña. Applicants interested in these jobs will be able to apply through www.usajobs.gov. Vacancy announcements for positions will be posted on the website by November 30. Applications will be accepted for these positions **November 30 – December 7, 2015**.

Candidates can find out more information about temporary employment in the Pacific Northwest Region by visiting <http://www.fs.usda.gov/main/r6/jobs> or <http://www.fs.fed.us/working-with-us/jobs>.

Individuals interested in finding out more information about a specific position are encouraged to contact the hiring manager listed with the specific position posted in the outreach notice. Outreach notices for John Day, Prairie City and Hines, OR will be posted soon. Most current and upcoming Forest Service job opportunities across the nation can be found online at: <https://fsoutreach.gdci.com/Outreach>.

Additional information will be forthcoming.
