Law Enforcement & Investigations**

REWARD

The United States Forest Service is offering a reward of up to \$500 for credible information leading to the arrest and conviction of the individual(s) responsible for dumping demolition materials on Forest Service land.

On November 5, 2015 ANF employees discovered what appeared to be residential/camp demolition materials illegally dumped adjacent to Forest Service Road 325 (Jo Jo) near Kane in McKean County. Because this road is heavily traveled, staff believe the materials were dumped shortly before discovery.

If you have information regarding this illegal activity, please contact the U.S.D.A. Forest Service Law Enforcement at:

814.927.5797 or 814.927.5757

All information will remain confidential.
