Phone: 814.362.6000

**Marienville Ranger District**

131 Smokey Lane; Marienville, PA 16239  
Phone: 814.927.5700

**Plant a Tree Program.** For someone who has everything, consider donating to the Allegheny's Plant a Tree Program. This program was established to give individuals and groups an opportunity to contribute toward reforestation and tree planting efforts on National Forest lands. The seedlings selected for the Allegheny NF are often species that benefit wildlife during the winter months, such as native shrubs that hold their berries late into the winter or evergreen trees that have low sheltering boughs.

**Cost:** Minimum \$10 purchase, which would pay to plant 10-15 seedlings.
