Dear [Redacted]:

On May 5, 2015 you and [Redacted] met with Kendell and John to discuss the 2015 Annual Operating Instructions (AOI) for the Black Canyon allotment. The grazing season and numbers as discussed and approved are as follows:

<u>Pasture</u>	<u>Numbers</u>	<u>Dates</u>
Stermer	80 hd c/c	June 1 to July 11
Sharp Hollow	80 hd	July 12 to August 31
Porter	80 hd	September 1 to October 1
Nelson/HP	80 hd	October 2 to October 31

The King Phillip pasture will be rested this year. The pasture rotation, season of use and numbers may vary depending on several factors including weather and forage conditions. The desired use is 25% on key species in key areas. We will contact you to monitor the use levels after livestock leave a pasture.

By this letter I authorize you or [Redacted] to cut or remove any trees needed for fence post or stays for the maintenance of structural range improvements within the Black Canyon allotment.

This letter will serve as your 2015 AOI. If you have any questions, please give us a call.

Sincerely,

*Christopher James*

acting for CHRISTOPHER JAMES District Ranger
