This product is reproduced from geospatial information prepared by the U.S. Department of Agriculture, Forest Service. GIS data and product accuracy may vary. They may be developed from sources of differing accuracy, accurate only at certain scales, based on modeling or interpretation, incomplete while being created or revised, etc. Using GIS products for purposes other than those for which they were created, may yield inaccurate or misleading results. The Forest Service reserves the right to correct, update, modify, or replace, GIS products based on new inventories, new or revised information, and if necessary in conjunction with other federal, state or local public agencies or the public in general as required by policy or regulation. Previous recipients of the products may not be notified unless required by policy or regulation. For more information concerning this map, contact the White River National Forest, 900 Grand Ave, Glenwood Springs CO, 81601. Phone: 970.945.2521.

This stipulation map is based on current data sources used to depict stipulations described in Appendix A of the White River National Forest Oil and Gas Leasing Final Environmental Impact Statement. Source data is subject to updates and modifications. The latest data for each stipulation will be applied during the USFS NEPA validation, verification, and identification of lease stipulations to be attached between the Expression of Interest and Offer of Sale for oil and gas lease parcels.
