Dear Steve,

Enclosed is the 2015 Annual Operating Instructions (AOI) for the Arab allotment, developed between you and John Kiefer. The pasture rotation and numbers discussed are as follows:

<u>Pasture</u>	<u>Numbers</u>	<u>Dates</u>
Aniceto	27 hd c/c	June 1 to July 31
Butler	27 hd	August 1 to September 30
Jackson	27 hd	October 1 to October 31

The Buckwheat pasture will be rested this season. The pasture rotation, season of use and numbers may vary depending on several factors including weather and forage conditions. The desired utilization amount is 25% to 35% on key species in the key areas. Utilization monitoring will occur after the livestock leave a pasture.

By this letter I also authorize you or persons employed by you, to cut or remove any trees needed for fence posts or stays for the maintenance of range improvements on the Arab allotment.

This letter will serve as your Annual Operating Instructions for the Arab allotment. If you have any questions, please contact Kendell, John or Andy at (928) 368-2100.

Sincerely,

EDWARD COLLINS  
District Ranger
