Dear ,

On Tuesday, June 2, 2015 you met with John Kiefer to discuss your 2015 Annual Operating Instructions for the Cottonwood Allotment. The pasture rotation, and numbers as discussed, are as follows:

<u>Pasture</u>	<u>Numbers</u>	<u>Dates</u>
12 Mile	100 hd c/c	7/1/2015 to 9/30/2015
Ballard	100 hd c/c	11/1/2015 to 12/31/2015

The desired utilization level is 25% to 30% on key species in key areas and we would like to monitor utilization with you after the livestock leave a pasture. Adjustments to this rotation may be needed during the grazing season. By this letter I also authorize you, or people employed by you, to cut or remove trees needed for fence posts and stays for maintenance of fences and corrals within the Cottonwood Allotment. A copy of this letter must be in your possession when cutting trees.

This letter will serve as your 2015 Annual Operating Instructions for the Cottonwood Allotment. If you have any questions, please contact John at (928) 535-7300 or (928) 368-2100.

Sincerely,

EDWARD COLLINS
District Ranger
