Dear [Redacted]:

This letter serves as an Amendment to your **Rotation Schedule** of your 2015 Annual Operating Instructions (AOI). Per email correspondence between you and Allen on April 16, 2015 you are to remove all cattle from the Four Bar pasture for the purpose of leaving enough residual forage to carry fire during the planned burn this coming spring. Below is your amended rotation schedule.

**ROTATION SCHEDULE:**

Actual dates may vary dependent on utilization levels, range conditions and time required moving livestock.

PASTURE	GROUP	NUMBER OF HEAD	SEASON OF USE	USE STANDARD
4 BAR	#3	75	3/1 - 8/24	35% - 45%
MAIN	#3	75	8/25 - 02/28	35% - 45%

When you have removed all cattle out of the Four Bar pasture, please contact Allen Graves at (928) 687-6812.

Sincerely,

CAROL TELLES
