

# Wild and Scenic Rivers Evaluation: Sequoia National Forest

## (Inventory)

**Map Title: Wild and Scenic Rivers Evaluation: Sequoia National Forest (Inventory)**

This map presents information showing the rivers that were identified and included in the inventory for the Wild and Scenic Rivers Evaluation within the Sequoia National Forest. The map shows all rivers in the inventory and identifies them by color as new inventory or inventory that was previously evaluated and is receiving a refreshed look. The map also shows rivers that have already formally been recommended in past processes, and existing congressionally designated wild and scenic rivers.
