1	<b>GMUG RAC Projects Recommended for Funding FY2008-2014</b>					
2	<b>Project Name</b>	<b>Year</b>	<b>Amount</b>	<b>Status</b>	<b>Partner</b>	<b>Description</b>
3	Spruce Picnic Area	2008	\$49,000	Complete	Garfield Co.	Install new sanitation facility; mitigate soil erosion; provide interpretive signing
4	Kebler Pass Culvert	2008	\$140,000	Complete		Replace undersized culvert with larger, natural bottom culvert for fish passage
5	Cement Creek Trails	2008	\$41,800	Complete	Multiple	Relocate trail out of riparian area and restore wetlands
6	Noxious Weed Treatment-Gunnison	2009	\$15,000	Complete	Multiple	Treat areas infested with noxious weeds
7	Noxious Weed Treatment-Montrose	2009	\$71,000	Complete	Montrose Co.	Treat areas infested with noxious weeds
8	Grand Mesa Winter Improvement	2009	\$60,000	Complete	Nordic Council	Purchase and install sanitation facilities at County Line Trailhead parking area
9	Gothic Road Culvert Replacement	2009	\$122,000	Complete		Replace undersized culvert with larger, natural bottom culvert for fish passage
10	Noxious Weed Treatment-Garfield	2009	\$30,000	Complete	Garfield Co.	Treat areas infested with noxious weeds in Garfield Co.
11	Pipeline/Doughspoon Road	2010	\$88,162	Complete	Multiple	Repair and regrade highly eroded road in Delta Co.
12	Noxious Weed Treatment	2010	\$15,000	Complete	Multiple	Treat areas infested with noxious weeds on NFS lands near Crested Butte
13	Dominguez Road Hardening	2010	\$20,000	Complete	Mesa Co.	Create hardened ford across Dominguez Creek for water quality enhancement
14	Alpine Plateau Road-Phase 1	2010	\$43,100	Complete	Gunnison Co.	Grade and replace road surface on NFS Road and replace surfacing
15	Hwy 65 Cooperative Weed	2011	\$20,000	Complete	CDOT/Delta Co	Treat noxious weeds along Highway 65 on the Grand Mesa
16	Gunnison Toilets	2011	\$85,000	Complete		Replace leaking toilets (2); install new toilet at popular recreation site for watershed health
17	Coal Creek Watershed Restoration	2011	\$17,337	Complete	Coal Crk.Coalition	Enhance watershed quality in impaired areas-Coal Creek
18	Cement Creek Area Restoration	2011	\$10,000	Complete	Multiple	Move and restore trail along Cement Creek to benefit fisheries habitat and sustainability
19	Alpine Plateau Road-Phase 2	2011	\$26,800	Complete	Gunnison Co.	Grad and repair road surface and replace gravel on NFS Road
20	Battlement Mesa Reservoir	2011	\$35,000	Complete	Garfield Co.	Remove user developed trails; reduce erosion; restore vegetation
21	Cattleguard Replacement	2011	\$32,615	Complete	Montrose Co.	Remove broken/too short cattleguards on main roads accessing Uncomp. Plateau
22	Coal Creek Restoration Project	2011	\$32,000	Complete		Treat riparian and surrounding areas for noxious weeds.
23	Noxious Weed Management CB2	2012	\$15,000	Complete	Multiple	Treat areas infested with noxious weeds on NFS lands near Crested Butte
24	Sustainable Trails	2012	\$19,900	Complete	Multiple	Repair eroded trails and provide sustainable surface and tread
25	Garfield County Weeds #2	2012	\$18,000	Complete	Garfield Co.	Treat noxious weeds in Garfield Co.
26	Uncompahgre Toilet/Water Quality	2012	\$4,000	Complete		Remove broken toilet with leaking vault for watershed health
27	Dominguez/Musser Stock Ponds	2013	\$5,000	Complete	Grazing Permittees	Install/clean out silted in stock ponds for water supply for cattle and wildlife
28	ATV Cattleguards	2013	\$10,000	Complete	Thunder Mtn.Wheel.	Install ATV passageways that keep livestock in allotment on ATV trails.
29	Uncompahgre Plateau Cattleguards	2013	\$30,000	Complete	Montrose Co.	Continue replacing old, too short cattleguards on main access routes
30	Garfield County Weeds #3	2013	\$24,500	Complete	Garfield Co.	Treat areas infested with noxious weeds in Garfield Co.
31	Ecosystem Resiliency and Riparian	2013	\$12,000	Complete	Multiple	Stabilize eroded stream banks, expand wetland/riparian and Gunnison Sage Grouse habit.
32	Noxious Weed Treatment-CB	2013	\$12,000	Complete	Multiple	Continued backcountry noxious weed treatments
33	Old Grand Mesa/Kiser Creek Crossing	2013	\$45,000	Complete	Delta Co	Replace culvert with bridge structure and eliminate water ford
34	Schofield Pass Low Water Crossing	2013	\$29,100	Complete	Gunnison Co.	Replace culvert; construct hardened low water crossing
35	Sustainable Trails #3	2013	\$10,000	Complete	Multiple	Repair and obliterate unsustainable /erosive trail sections

	A	B	C	D	E	F
36	Uncompahgre Toilet Relocation	2013	\$12,000	Complete	Montrose Co.	Remove and re-use toilet vault in new location for watershed health
37	Cayton Outhouse Replacement	2013	\$15,000	Complete	Garfield Co.	Install sanitation facility for watershed health at historic recreation site
38	Garfield County Weed	2014	\$20,000	In process	WRNF/Garfield Cty	Treat noxious weeds in various locations in backcountry
39	Crystal Peak Restoration	2014	\$18,500	In process	Multiple	Trail maintenance/reconstruction to prevent erosion and riparian damage
40	Enhance Ecosystem/Riparian habitats	2014	\$15,000	In process	Multiple	private/public partnership project to restore Gunnison Sage Grouse habitat
