

Campgrounds

Open Dates and Fees are Subject to Change

Campgrounds are seasonally opened and closed. Open dates are approximate. A heavy snow pack may delay the opening date. Early closure may occur in order to protect water systems from freezing and to efficiently schedule work for seasonal shutdown.

This guide has been prepared with the best information available as of the printing date, however fees are subject to change. Fee information posted at the campground is the accurate fee. Standard site fee includes one vehicle. Additional fees may apply for additional vehicles.

Forest Campgrounds listed by Recreation Area and Ranger District

Campground Rules

Specific campground rules are posted at each campground entrance. The maximum stay period allowed varies. Backpacking trailhead camps generally have a one night limit. A maximum stay period of 7-14 days is normal for most campgrounds. Standard sites accommodate up to 6 people per site. Group sites accommodate larger groups, the maximum number of people per site is shown in ()'s.

Occupying Your Campsite:

- Pay your camping fee within 30 minutes of arrival, and before 2:00p.m. if staying another day.
- All tents and equipment must be located within the designated site. Use designated parking space.
- Carry water to your campsite for all washing. Do not use faucets or restrooms for washing dishes, cleaning fish, or bathing.
- Site cannot be unoccupied for more than 24 hours without permission.

Campfires:

- Use designated fire ring for all fires.
- Purchase firewood on site. Burn it where you buy it!
- If collecting firewood, do not cut standing or live trees. Collect only dead and down wood.

Reservations:

- Group campgrounds can be reserved up to 12 months in advance.
- Standard campsites can be reserved up to 6 months in advance.

Reservations

Toll Free 877-444-6777

TDD 877-833-6777

Intl: 518-885-3639

Internet: www.recreation.gov

For sites that do not accept reservations, select an empty site and self register when you arrive.

Food Storage:

Do not leave anything attractive to animals in your car, including: coolers, grocery bags, recycling and trash, canned food, beverages, coffee cups, alcohol, air fresheners, cans or bottles, toiletries, or anything with a scent. Bears are known to break into cars to access all of these items.

- Clean up promptly after meals and secure food.
- Use the bear-resistant lockers to store all food and scented items, including ice chests and coolers.
- Secure trash and recycling in the proper receptacles.

Pets:

- Leash your pets at all times.
- Keep your pet within your designated campsite.

Bears!

Be bear aware while camping. Never store food in tents. Use the provided food storage locker to secure ice chests and food items. Close and fasten food storage boxes and trash containers. Bears have been known to break into car trunks, RV's and camper shells.
