CCC CAMP OZONE NATIVE GRASS RESTORATION PROJECT
USDA – FOREST SERVICE
Ozark-St. Francis National Forests
Pleasant Hill Ranger District,
Johnson County, Arkansas

Dear Reader,

The Draft Environmental Assessment (EA) for the CCC Camp Ozone Native Grass Restoration project is available for public review and comment. The Responsible Official for this project is District Ranger Pat Kowalewycz. An electronic version of the draft EA is available for viewing on the following website:

<http://prdp2fs.ess.usda.gov/detail/osfnf/landmanagement/planning/?cid=stelprdb5212216.pdf>

Comments may be sent by email to: comments-southern-ozark-stfrancis-pleasanthill@fs.fed.us

The CCC Camp Ozone Native Grass Restoration project is subject to administrative review under 36 CFR 218 Project-Level Pre-decisional Administrative Review Process, Parts A and B. Specific written comments about this project as defined by 36 CFR 218.2 should be within the scope of the proposed action, have a direct relationship to the proposed action, and must include supporting reasons for the Responsible Official to consider. It is the responsibility of all individuals and organizations to ensure that their comments are sent in a timely manner.

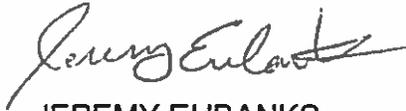

An objection period, if required, will follow the regulation found in (36 CFR 218.7). For objection eligibility (36 CFR 218.5), only those who have submitted timely, specific written comments during any designated opportunity for public comment may file an objection. Issues to be raised in objections must be based on previously submitted specific written comments regarding the proposed project and attributed to the objector, unless the issue is based on new information that arose after a designated opportunity to comment (36 CFR 218.8(c)). Comments received, including names and addresses of those who comment, will be considered part of the public record and will be available for public inspection.

Comments about this project will be accepted at any time; however, in order to be eligible to file an objection, the comments must be received within 30 days, beginning the day after this publication in the *Graphic*. The designated timeframe for this comment period has been extended and will begin on December 24, 2015 and end January 22, 2016. This is the exclusive means for calculating the time frame in which to submit comments.

Our mailing address is: US Forest Service, 2591 Hwy 21 N, Clarksville, AR. 72830. You may also call or stop by the office, (business hours are 8:00am to 4:30pm, Monday through Friday). Please state "CCC Camp Ozone Native Grass Restoration project" in the subject line when providing electronic comments or on the envelope when replying by mail. If you have questions about this draft EA, please call Carol Swboni at 479-754-2864.

Sincerely,

A handwritten signature in black ink, appearing to read "Jeremy Eubanks", written in a cursive style.

JEREMY EUBANKS
Acting District Ranger
