## **Inyo National Forest Offers Employment Workshops**

The Inyo National Forest is preparing for the summer season and may fill seasonal positions in Lee Vining, June Lake, Mammoth Lakes, Tom's Place, Bishop, Independence and Lone Pine. Positions include forestry technicians (fire, wilderness/trails), visitor services, maintenance, biological technicians, hydrology technicians, and more.

The forest is offering four workshops, two in Bishop and two in Mammoth Lakes, so that locals may learn about the types of jobs available, when, and how to apply for these jobs. Each workshop will include a presentation on mastering USAJobs, the on-line application process.

- *Bishop Workshops:* Wednesday, January 6<sup>th</sup> from 9:00 a.m. to 11:00 a.m. and from 1:00 p.m. to 3 p.m., at the Owens Valley Career Development Center OVCDC Computer Lab, 2574 Diaz Lane, Bishop Paiute Reservation.
- *Mammoth Lakes Workshops:* Friday, January 8<sup>th</sup> from 10:00 a.m. to noon and 1:00 p.m. to 3:00 p.m. at the Mammoth Ranger District Office Auditorium, 2500 Hwy 203, Mammoth Lakes.
