[REDACTED]

Dear [REDACTED]:

Your 2011 Annual Operating Instructions for the Boneyard Allotment has been amended to authorize **Non-Use for Resource Protection** due to the effects of the Wallow Fire on the forage resource. This non-use is for your summer pastures only and you will still be authorized to graze as planned in the Nutrioso Winter pasture this fall (9/21 to 10/15). If you had already paid your grazing bill we will issue you a credit that will be applied to the next year that you are authorized to graze livestock. There is also an option for a refund. If you would rather have the refund you will need to make it known to my range staff as soon as possible.

If you have any questions and/or comments, please feel free to call me or my range personnel at (928) 333-4372.

Sincerely,

RICHARD DAVALOS  
Alpine District Ranger
