

Shasta-Trinity National Forest

Temporary Employment

2016 Field Season Outreach and Job Announcements

Application period will only be open for 5 days (1/25/2016-1/29/2016)

To be considered for these temporary positions you will need to apply through USAJOBS at:
<https://www.usajobs.gov/>

The Shasta-Trinity National Forest, located in Northern California, is the largest National Forest in California and provides some of the highest quality fish and wildlife habitat in the Pacific Northwest. It is comprised of 2.1 million acres ranging in elevation from 1,000 feet to 14,162 feet at the summit of Mt. Shasta. This Forest encompasses five wilderness areas, hundreds of mountain lakes and more than 6,000 miles of streams and rivers. In addition, there are wild and scenic rivers, national trails and scenic byways and a National Recreation Area. For further information on the Forest, please visit our website at: www.fs.usda.gov/stnf

Positions are located at various Ranger Stations throughout the Forest. Be sure to select the specific duty location in order to be considered. **Questions regarding a specific position or location should be directed to the point of contact listed below.**

Position	Grade	Vacancy Announcement	Location	Point of Contact
Archeology Technician	GS-0102-05	16-TEMP-R5-0102-5ARC-DT	US/CA - Hayfork	Mark Arnold (530) 628-1221 marnold@fs.fed.us

Additional Information on the Duty Locations:

Redding: The Headquarters for the Shasta-Trinity National Forest is located in Redding, California, a full service community of over 90,000 people. Redding is located along Interstate 5 and has a fine variety of medical facilities, schools including Shasta College, restaurants, retail stores and museums. Cultural and outdoor recreational activities include music, art, fishing, rafting, skiing, hiking, sailing, swimming and much more. The climate in the Redding area is generally moderate though summer temperatures can be very hot. For additional information about the community, please visit:

- <http://www.ci.redding.ca.us/>
- <http://www.reddinganesthesia.com/redding/>
- <http://www.redding.com/>

Shasta-Lake/Mountain Gate: The Shasta Lake Ranger Station is located in Mountain Gate, California, along Interstate 5 about 10 miles north of Redding in northern California. The Ranger Station manages the Shasta and Trinity Lake units of the Whiskeytown-Shasta-Trinity National Recreation Area (NRA), and was established by Congress in 1965. Shasta Lake, with approximately 30,000 surface acres is the largest human-made reservoir in California. Trinity Lake, with approximately 17,000 surface acres, is also a large reservoir. Both are popular recreation destinations. Many opportunities await the recreation enthusiast such as fishing, sailing, water-skiing, swimming, camping, hiking, mountain biking, and much more. For additional information about the unit, please visit: http://www.fs.usda.gov/detail/stnf/about-forest/?cid=fsm9_008651

Mt. Shasta/McCloud: The Shasta-McCloud Management Unit is critical to tourism, recreation, and the wood products economy of Siskiyou and Shasta County. This is a land of breathtaking beauty and a place where everyone can enjoy the great outdoors. For additional information about the unit, please visit: http://www.fs.usda.gov/detail/stnf/about-forest/?cid=fsm9_008650

This Management Unit has offices in the town of McCloud and the city of Mt. Shasta, which are about twelve miles apart. The major communities within the area are the towns of Mt. Shasta, Weed, McCloud, and Dunsuir. These population centers are about 60 miles north of Redding,

California and 60 miles south of the California/ Oregon border and 3 ½ hours from the Oregon Coast. All four towns have internet sites with detailed community information.

The climate has four distinct seasons. Summers are dry with temperatures between 75 and 90 degrees F. Most precipitation falls between mid-October and May, some in the form of snow. Average precipitation is 36 inches for Mt. Shasta and McCloud areas. Average temperature is 32 degrees in January and 85 degrees in August.

McCloud is full service community with a population of approximately 1,500 people. The community has an elementary and high school. College of the Siskiyous, a two-year community college, is located in the town of Weed. Numerous churches of different denominations are in the immediate area. There is an 80-bed hospital with a certified trauma center located in Mt. Shasta. Public transportation is available with a county bus service. Commercial air service is located in Redding, (1.5 hour drive south on I-5) and Medford, Oregon (1.5 and a half hour drive north on I-5). There is a weekly (Mt. Shasta Herald) and daily (Siskiyou Daily News) newspaper. The average 3-bedroom/2-bath house sells for \$223,000 plus in the McCloud and Mt. Shasta City area. Monthly rental for a 3-bedroom house is about \$850-\$1100 in the McCloud and Mt. Shasta area. Housing and rental costs are somewhat lower in the surrounding communities.

Recreation opportunities in the area are unlimited. Major attractions include the McCloud and Sacramento Rivers, Mt. Shasta, Lake Siskiyou and McCloud Reservoir, the Mt. Shasta Ski and Board Park and Nordic Center, numerous alpine lakes, hiking and biking trails, lava features and the Shasta Lake National Recreation Area. For those who want a more urban experience, the Shakespeare Festival in Ashland and the Britt Festival in Jacksonville, Oregon are less than 1 ½ hours away.

Hayfork/Platina: The South-Fork Management Unit has a large variety of terrain and ecosystems that provide for a wide range of recreational opportunities. It encompasses over 590,000 acres, two wilderness areas and three major streams from the primary watersheds within the area; the South Fork of the Trinity River, Hayfork Creek and Beegum Creek. For additional information about the unit, please visit: http://www.fs.usda.gov/detail/stnf/about-forest/?cid=fsm9_008647

This Management Unit has offices in the town of Hayfork and Platina which are about 33 miles apart. Hayfork, California is a small rural community with a population of approximately 2,500 people. It is located about 60 miles west of Redding at an elevation of 2,300 feet. Hayfork has churches, stores, a medical clinic, and schools up to and including high school. Housing costs are approximately \$200,000 for a 3 Bedroom/2 Bath house and rentals average \$700/month. Platina, California is a small community located approximately 40 miles west of Redding and Red Bluff at an elevation of 2,300 feet. The Hayfork and Platina areas offer a wide variety of outdoor recreational opportunities in a rural setting.

Weaverville: The Trinity River Management Unit lies within parts of Shasta and Trinity Counties. This unit is critical to tourism, recreation, and the economy of Trinity County. This is a land of breathtaking beauty and a place where everyone can enjoy the great outdoors. For more information on the unit, please visit: http://www.fs.usda.gov/detail/stnf/about-forest/?cid=fsm9_008648

The historic town of Weaverville, the county seat, is nestled at the base of the magnificent Trinity Alps Wilderness. It is about 40 miles west of Redding, California, 80 miles south of the California/Oregon border and two hours from the Pacific Coast. It is a full service community of

approximately 3,500 people and features a hospital, high school, charter and private schools, satellite, junior college campus, restaurants, Movie Theater, grocery and churches. Public transportation is available with a county bus service. The closest commercial airport is in Redding. There is a weekly newspaper in Weaverville and a daily newspaper in Redding.

There are four distinct seasons. Summers are dry with temperatures between 80 and 100 degrees F. Most precipitation falls between mid-October and May, some in the form of snow. Average precipitation is 36 inches for the Weaverville area. The average temperature in January is 32 degrees and 95 degrees in August.

For additional information on the community, please visit: <http://www.weavervilleinfo.com>

For additional information, please contact Frances Lindquist, Civil Rights Officer at (530)-226-2367. Thank you for your interest in our positions.
