Applicants interested in Temporary Wildland Firefighter positions on the Shasta-Trinity National Forest should contact module leaders listed below for the specific Duty Locations they would be interested in. Potential candidates should have their applications ready because there will only be 5 days to apply within USAJOBS.

Wildland firefighters work in a variety of specialized positions, including fire engine crews, fuels management, hand crews, helitack, interagency hotshot crews, patrol and prevention technicians and fire lookout positions. Crews often travel throughout California and other areas across the country performing fire suppression and other incident activities. The actual job title for wildland firefighter positions are "Forestry Aid and Forestry Technician".

Pay scales and availability of government provided housing will vary by geographic locations. Firefighters are paid an hourly rate and can earn overtime at 1.5 (time and a half) of their normal pay rate and hazardous duty pay at an extra 25% in some circumstances. Housing/Barracks *may* be available at a nominal cost to employees. Firefighters provide their own subsistence while at their home duty locations. The Forest Service pays living expenses when on a fire assignment or project assignments away from home duty locations. Tour of Duty is generally a 5 day work week of 40 base hours, with 2 days off. Scheduled days off are often cancelled due to emergency assignments. As a condition of hire, selectees must be able to meet the arduous fitness level and complete a Work Capacity Test consisting of a 3 mile hike within 45 minutes carrying a 45 pound pack. Applicants must be at least 18 years of age. All GS-5 and Exclusive Use Helitack GS-4 positions require a minimum of 90 days of Wildland firefighting experience.

Duties: Serves as a member of fire crew assigned to suppress the full range of wildland fires independently performing recurring fire suppression duties. Performs assignments as a wildland firefighter in developing a working knowledge of fire suppression and fuels management techniques, practices and terminology. This consists of fireline construction, use of pumps and engines, hose lays using appropriate nozzles and nozzle adjustments in the effective use of water and additives, working in and around aircraft such as helicopters, safety rules, and basic fire behavior. Searches out and extinguishes burning materials by moving dirt, applying water by hose or backpack pump, etc. Chops brush, fells small trees, and moves dirt to construct fireline using various hand tools such as axes, shovels, Pulaskis, McLeods, and may use power tools including chainsaws and portable pumps to control spreading of wildland fire and/or to prepare control lines prior to burning. Patrols fireline to locate and extinguish

embers, flareups, and hotspot fires that may threaten developed firelines. Cleans, reconditions, and stores fire tools and equipment.

How to apply: Applicants must access the vacancy announcements through USAJobs – <http://usajobs.gov/> . Applicants must establish a profile and build or upload a resume in the USAJobs site. For assistance in navigating USAJobs: https://help.usajobs.gov/index.php/Main_Page. Once you have established your Profile and Resume, that data will be used in all future applications without the need to reenter. It is recommended that applicants complete the on-line resume and attach a document/resume with past supervisor's contact information to expedite reference checks. Applicants are still required to recertify their application every 60 days. Applicants will need to attach any required supporting documents (IQCS Master Record, DD-214 to claim Veterans Preference, Transcripts, etc.) for each job applied to – they are not automatically added to your application from your profile. If your application documents are too large (more than 3MB) to upload into USAJOBS, you can convert your documents into a Portable Document Format (PDF) file to reduce the file size. Please read the entire Vacancy Announcement carefully. Applicants respond to a series of questions to determine Core Eligibility, Minimum Qualification and Assessment Questions. Your responses will be evaluated by Subject Matter Experts (SMEs) and Human Resources to confirm supporting documentation and experience from your resume and past Supervisor's reference checks. **Any level of Knowledge, Skills, Abilities and Competencies (KSACs) claimed in the Assessment statements must be supported and documented in your resume and attachments.**

Veterans are encouraged to apply on the USAJobs web site under the Demo Authority (DP) where Veterans Preference is applied to eligible applicants. Veterans MUST submit a DD-214 if you are claiming Veteran's Preference.

For more information contact: Forest Civil Rights Officer, Frances Lindquist (530) 226-2367 or franceselindquist@fs.fed.us

Or visit our website at: <http://www.fs.usda.gov/stnf>

There may not be a second offer at a more desirable location. Applicants are strongly encouraged to make personal contacts with Fire staff at desired locations. Speak directly with Module Leaders/Captains when possible. Most remote locations do offer housing and some do not. It is best to understand your housing needs and options prior to applying to those locations.
