## Motor Vehicle & Off-Highway Use

### 1) Where are Motor Vehicle Use Maps available?

You can find current MVUMs available for free download here: <http://staythetrail.org/mvum/index.php>  
Printed MVUMs are also available for free at Forest Service field offices. A list of these offices are available at: <http://staythetrail.org/wheretogo/nationalforests.php>

### 2) What types of vehicles have to purchase an OHV Registration/Permit?

All motor vehicles (licensed or not) operated on routes designated open to off-highway vehicles are required to obtain either an annual OHV Registration or Non-Resident Permit. Information on how to purchase and what the OHV Registration program funds is available at:  
<http://parks.state.co.us/OHVsandSnowmobiles/OHVProgram/>

Off-Highway Vehicles (OHVs) which are operated on public land or trails in Colorado include:

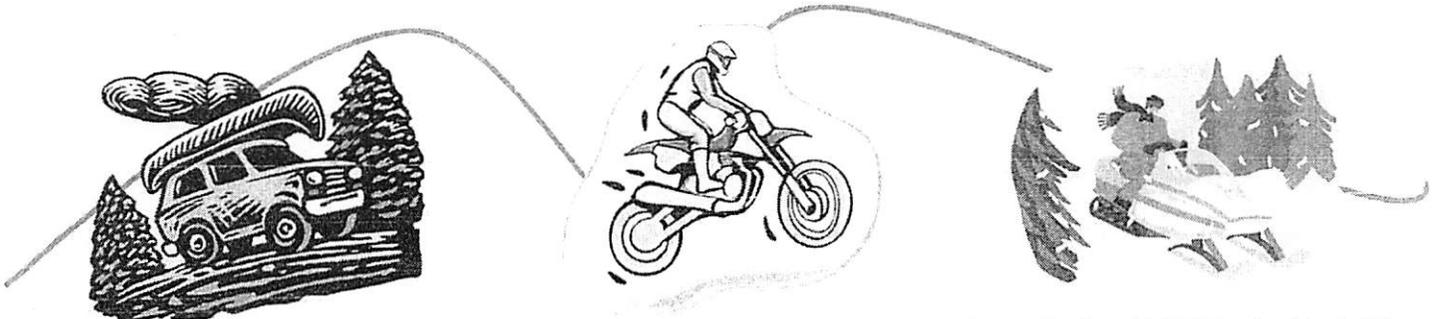

- Motorcycles
- Dirtbikes
- Three-wheelers
- ATV's
- Dune buggies
- Snowmobiles

Non-Resident OHV permit: \$25.25 / Non-Resident Snowmobile permit: \$30.25  
(valid from date of purchase until March 31 of the following year)

We do recommend the purchase of a "registration" versus permit so that yearly reminder renewal cards will be sent to your home address.
