

Angeles National Forest

San Gabriel Mountains National Monument

Date: _____

The Angeles National Forest & San Gabriel Mountains National Monument will be submitting several grant applications to the State of California Division of Off-Highway Motor Vehicle Recreation. These grants provide services and recreation opportunities for off-highway vehicle use on National Forest System lands... The Forest Service’s draft application will post March 6, 2017 for public comment on the State of California’s website at www.ohv.parks.ca.gov. Please provide any comments pertaining to the categories listed below that will inform us regarding management or resource issues, which will assist the Forest in developing its grant application;
