Storing Your Food and Trash in Bear Country

Food and trash storage is mandatory, to reduce odors that attract bears. Unless cooking or eating, store your food inside a hardtop vehicle, the trunk of a car or a bear-resistant container. When camping in the backcountry hang your food at least 10 feet off the ground and four feet away from a tree.

You are responsible for your own safety.

All outdoor activities have inherent risks and you may encounter a variety of unexpected and/or dangerous conditions. It is your responsibility to be informed and take precautions. Learn more at www.fs.usda.gov/r8.
