Storing Your Food and Trash in Bear Country

Food and trash storage is mandatory, to reduce odors that attract bears. Unless cooking or eating, store your food inside a hardtop vehicle, the trunk of a car or a bear-resistant container. Store your food garbage in the same manner where trash cans are not installed. When camping in the backcountry hang your food at least 10 feet off the ground and four feet away from a tree.

You are responsible for your own safety.

All outdoor activities have inherent risks and you may encounter a variety of unexpected and/or dangerous conditions. It is your responsibility to be informed and take precautions. Learn more at www.fs.usda.gov/r8.
