

**PURPOSE AND CONTENTS OF THIS MAP**  
 The designations shown on this motor vehicle use map (MVUM) were made by the responsible official pursuant to 36 CFR 212.51; are effective as of the date on the front cover of this MVUM; and will remain in effect until superseded by the next year's MVUM.

*Cheryl Probert*  
**Cheryl Probert, Forest Supervisor,  
 Nez Perce-Clearwater National Forests**

It is the responsibility of the user to acquire the current MVUM. This MVUM shows the National Forest System roads, National Forest System trails, and the areas on National Forest System lands in the Nez Perce-Clearwater National Forests that are designated for motor vehicle use pursuant to 36 CFR 212.51. This MVUM also identifies the vehicles classes allowed on each route and in each area and any seasonal restrictions that apply on those routes and in those areas.

Designation of a road, trail, or area for motor vehicle use by a particular class of vehicle under 36 CFR 212.51 should not be interpreted as encouraging or inviting use, or to imply that the road, trail, or area is passable, actively maintained, or safe for travel. Motor vehicle designations include parking along designated routes and at facilities associated with designated routes when it is safe to do so and when not causing damage to National Forest System resources. Seasonal weather conditions and natural events may render designated roads and trails impassable for extended periods. Designated areas may contain dangerous or impassable terrain. Many designated roads and trails may be passable only by high-clearance vehicles or four-wheel drive vehicles. Maintenance of designated roads and trails will depend on available resources, and many may receive little maintenance.

This motor vehicle use map identifies those roads, trails, and areas designated for the motor vehicle use under 36 CFR 212.51 for the purpose of enforcing the prohibition at 36 CFR 261.13. This is a limited purpose. The other public roads are shown for information and navigation purposes only and are not subject to designation under the Forest Service travel management regulation.

These designations apply only to National Forest System roads, National Forest System trails, and areas on National Forest System lands.

**EXPLANATION OF LEGEND ITEMS**

**Roads Open to All Vehicles:**  
 These roads are open to all motor vehicles, including smaller off-highway vehicles that may not be licensed for highway use (but not to oversize or overweight vehicles under State traffic law).

**Trails Open to Motorcycles Only:**  
 These trails are open only to motorcycles.

**Special Vehicle Designation:**  
 This symbol indicates the road or trail is open to classes of vehicles other than those listed above. Refer to the Seasonal and Special Designation Table for further instructions.

**Seasonal Designation:**  
 This symbol, used in conjunction with one of the other road or trail symbols, indicates that the road or trail is open only during certain portions of the year. Refer to Seasonal and Special Designation Table for further instructions.

**Other Public Roads and Trails:**  
 Highways, U.S., State  
 Other Public Roads

**DISPERSED CAMPING**  
 Motorized cross-country travel to a dispersed campsite is permissible on Clearwater National Forest System Lands within 300 feet (either side) of designated motorized routes under the following conditions: Off-road travel may only occur on existing tracks. Existing tracks are established and devoid of surface vegetation. Cutting, clearing or damaging of trees or vegetation is not allowed in order to access dispersed camping. Rutting, fording of streams, or crossing of wet soils/meadows is not allowed. Moving, going around, going over, or going past barriers (i.e., gates, rocks, berms, barriers, signs, etc.) is not allowed. Camping, day use activities and parking must occur within the existing disturbed area of the campsite.

**PROHIBITIONS**  
 It is prohibited to possess or operate a motor vehicle on National Forest System lands on the Clearwater National Forest other than in accordance with these designations (36 CFR 261.13).

Violators of 36 CFR 261.13 are subject to a fine of up to \$5,000, imprisonment for up to 6 months or both (18 U.S.C. 3571(e)). This prohibition applies regardless of the presence or absence of signs.

This map does not display nonmotorized uses, over-snow uses, or other facilities and attractions on the Nez Perce-Clearwater National Forests. Obtain forest visitor information from the local national forest office.

Designated roads, trails, and areas may also be subject to temporary, emergency closures. As a visitor, you must comply with signs notifying you of such restrictions. A national forest may issue an order to close a road, trail, or area on a temporary basis to protect the life, health or safety of forest visitors or the natural or cultural resources in these areas. Such a temporary and/or emergency closures are consistent with the Travel Management Rule (36 CFR 212.52 (b), 36 CFR 261 subpart B).

The designation "road or trail open to all motor vehicles" does not supersede State traffic law.

TRAILS - Open to Motorcycles Only - Seasonal Designation			
Route Number	Motor Vehicles Greater Than 50"	Wheeled Vehicles Less Than 50" in Width	Motorcycle
106, 191			08/01-11/15

**IDAHO OFF-ROAD VEHICLE STICKER REQUIRED**  
 Idaho ORV stickers are required for all motor vehicles used on trails and on roads managed as trails (where highway vehicles are restricted). Stickers must be visible and legible at all times. Your sticker funds help to build and/or maintain motorized trail systems.

**OPERATOR RESPONSIBILITIES**  
 Operating a motor vehicle on National Forest System roads, National Forest System trails, and in areas on National Forest System lands carries a greater responsibility than operating that vehicle in a city or other developed setting. Not only must you know and follow all applicable traffic laws, you need to show concern for the environment as well as other forest users. The misuse of motor vehicles can lead to the temporary or permanent closure of any designated road, trail, or area. As a motor vehicle operator, you are also subject to State traffic law, including State requirements for licensing, registration, and operation of the vehicle in question.

Motor vehicle use, especially off-highway vehicle use, involves inherent risks that may cause property damage, serious injury, and possibly death to participants. Drive cautiously and anticipate rough surfaces and features, such as snow, mud, vegetation, and water crossings common to remote driving conditions. By your participation, you voluntarily assume full responsibility for these damages, risks, and dangers. Take care at all times to protect yourself and those under your responsibility.

Much of the Clearwater National Forest is remote. Medical assistance may not be readily available. Cellular telephones do not work in many areas of the Clearwater National Forest. Take adequate food, water, first-aid supplies, and other equipment appropriate for the conditions and expected weather.

**ALWAYS REMEMBER TO RESPECT PRIVATE LAND! PROTECT YOUR PRIVILEGE. STAY ON DESIGNATED ROADS AND TRAILS AND IN DESIGNATED AREAS.**

Read and understand this map in its entirety. If you have questions please contact the Clearwater National Forest for clarification.

As a motor vehicle operator on a National Forest System road, trail, or area, you must comply with this map, as well as all Federal, State, and local laws and regulations. Compliance with these rules is your responsibility.
