WHITNEY PORTAL ROAD CONSTRUCTION INFORMATION

Updated September 7, 2016

Construction on Whitney Portal Road includes new pavement and drainage upgrades that will improve safety on this popular route.

Flaggers and a pilot car will manage traffic through multiple construction zones during working hours.

Construction Schedule:

Monday – Friday 6:00 am to 7:30 pm

Plan for extended delays: 8:00 am - 11:00 am &

1:00 pm - 4:00 pm in the upper section of road starting after the turn off to Lone Pine Campground.

Expect 30 minute delays outside of the extended delay times and areas, but within construction schedule.

Road side parking will be unavailable throughout the project until further notice.

The paving operation continues along with backfilling to the edge of the pavement. The extended delays in the upper section of road are necessary during paving operations. Paving will continue through mid-September.

Hat Creek Construction Materials Inc. understands that no one enjoys delays and we assure you that we make every effort to minimize your delays while providing the necessary safety for you and our workers.
