### USAJOBS

<http://www.usajobs.gov/>

USAJOBS is a website where all Federal Employment vacancy announcements are posted. This site is the United States Government's official source of job and employment information provided to the public at no cost.

### WORKING FOR THE FOREST SERVICE

<http://www.fs.fed.us/fsjobs/>

The USDA Forest Service offers a variety of employment opportunities (both paid and unpaid) ranging from student programs to volunteer programs, and full time employment in many occupations.

### LEARN MORE ABOUT YOUR LOCAL FORESTS (Pacific Southwest Region – Region 5)

<http://www.fs.usda.gov/r5/>

The Pacific Southwest Region of the US Forest Service manages 20 million acres of National Forest land in California and assists the State and Private forest landowners in California, Hawaii and the U.S. Affiliated Pacific Islands.

**Eighteen national forests are located in this region**, in the North Coast, Cascade, and Sierra Nevada ranges and from Big Sur to the Mexican border in the south Coast range. **(See map on the back)**

### STUDENT JOBS

[http://www.fs.fed.us/fsjobs/jobs\\_students.shtml](http://www.fs.fed.us/fsjobs/jobs_students.shtml)

<https://www.usajobs.gov/studentsandgrads/>

The USDA Forest Service offers student internship opportunities. The student programs offer clear paths to Federal internships and provide

meaningful training and career development opportunities for individuals who are at the beginning of their Federal service.
