Re: SCH File # 16-E-0000-0222; SCOPING; Proposal is for the Chattooga Wild and Scenic River floating regulations. Proposal will update and clarify federal regulations related to floating on the upper segment of the Chattooga Wild and Scenic River.

Dear Ms. Krake:

The above referenced environmental impact information has been submitted to the State Clearinghouse under the provisions of the National Environmental Policy Act. According to G.S. 113A-10, when a state agency is required to prepare an environmental document under the provisions of federal law, the environmental document meets the provisions of the State Environmental Policy Act.

No comments were made during the review of this document. If any further environmental review documents are prepared for this project, they should be forwarded to this office for intergovernmental review.

Should you have any questions, please do not hesitate to call.

Sincerely,

Crystal Best

State Environmental Review Clearinghouse
