

# Fell Camp

Located in the northern part of the Long Cane Ranger District, Fell Camp is primarily used by hunters and equestrians. In addition to 52 campsites situated on 15 acres, it offers other recreational opportunities such as biking, hiking and birding.

The surrounding forest environment sustains abundant wildlife, resulting in some of the most desirable upstate hunting areas. The camp also serves as the trailhead for the 26.7 mile Long Cane Horse Trail.
