Potential Bidders – Coyote Timber Sale (#60222)  
Motor Vehicle Use – CFR 212.51

Dear Interested Party:

For the duration of the advertisement period for Coyote Timber Sale, you are authorized to use an OHV (or other vehicle 65" or less in width at the widest point on the vehicle and with low pressure tires) on those roads (system and temporary) shown on the attached Sale Area Map and table from Special Provision CT5.12# of the Sample Contract.

As has been the case for some time now, cross country use of an ATV or OHV is not permitted. In addition, per CFR 261.12d, the following is also prohibited: damaging and leaving in a damaged condition any such road, trail, or segment thereof. Many of the roads in this Sale Area are scheduled for reconstruction or pre-haul maintenance activities through the timber sale contract due to the current condition of the road. Please use your judgment when determining if you can travel the road without causing further resource damage.

You must have this authorization in your possession while in the Coyote Timber Sale area.

Sincerely,

BARBARA C. VAN ALSTINE

District Ranger
