- Learn how to prevent wildfires and keep the environment clean
- Listen carefully to presenters and guides
- Follow directions and actively participate
- Focus attention
- Think and ask questions
- Walk quietly in the center and on the marked trails
- LEARN

POST FIELDTRIP:

Back at school and home, teachers and parents will use the resources and activities provided by the US Forest Service to help you answer the following questions.

1. What is something you already knew about the forest before your visit?
2. What is the most important thing you learned?
3. How will you use something you have learned at home and at school?
4. What is something more you want to know?
