*(Biobased Products: See FAR Subpart 23.4; – required in operations and maintenance (bldg. mtce) procurements as well as **all** construction procurements. Also see list of designated items at <http://www.biopreferred.gov>.) – CO's edit as needed

The following is added:

Biobased Products

Offeror shall identify the biobased products to be purchased and used under this contract. For each biobased product, specify the name of the manufacturer, cost of each product, and the intended use of each of the materials that are to be used in carrying out the requirements of the contract. For each biobased product, the Offeror shall specify the percentage of biobased content, and for the USDA-designated biobased content products, the Offeror shall demonstrate that the products to be used under this contract will contain the percentage specified in the USDA recommendations or the highest level of biobased material practicable, consistent with USDA's recommended percentages of biobased content.

The Offeror shall document prior experience in specifying, purchasing, using, and installing biobased products. The Offeror shall provide a list of all relevant contracts over the past 3 years involving the specification, purchase, and/or use of biobased products. The Offeror shall include a list of the biobased products specified, purchased, used, and installed.

The above information shall be provided for all proposed subcontractors in the same format and level of detail as prescribed for the Offeror.
