

WE NEED YOU!

Bat Driving Survey

Alaska Dept. of Fish and Game needs people to help monitor acoustic bat calls!

Southeast Bats

- ❖ Southeast Alaska is home to 7 species of bats.
- ❖ We want to learn more about where they live.
- ❖ Citizen science allows YOU to collect data and learn about our bats!

Want to be a bat citizen scientist?

- ❖ Sign up for a driving survey date by visiting Corree Delabrue at the Forest Service-874-7550
- ❖ Pick up supplies from Corree.
- ❖ Drive your transect and listen for bat calls.

Visit the Forest Service office in Wrangell to sign up
Or email ADF&G wildlife biologist Karen Blejwas
