Prospective Timber Purchasers and Other Interested Parties:

Attached is the Ottawa National Forest Timber Sale Program for the next twelve months. It includes proposed sales to be offered during the period of April 1, 2016 to March 31, 2017.

This announcement reflects the Forest's preferred offering schedule to meet an annual sale program of 67.2 MMBF. This program includes approximately 28 percent sawtimber and 72 percent pulpwood for the period of April 1, 2016 – September 30, 2016 and 23 percent sawtimber and 77 percent pulpwood for the period of October 1, 2016 – March 31, 2017.

This announcement lists the estimated volumes in cubic measurement. The cubic unit of most common usage will be CCF which is one hundred cubic feet. The report does show the approximate MBF volume to the far right of each sale.

For purposes of conversion in this report use the following:

\*Pulpwood CCF divided by 0.79 = Pulpwood Cords

Sales with a date listed in the DATE OF DECISION column are firm, have an approved Environmental Assessment and the decision to make the sale is final. Sales with no date in the DATE OF DECISION column are tentative and offering will depend on the findings and approval of an Environmental Assessment yet to be completed.

Timber sales listed as "Stewardship Contracts" will be identified in the sale name of this sale announcement. Stewardship contracts are a tool available to the Forest Service to enhance and restore landscapes by using the value of traded goods (timber) for important work on the ground (services). The stewardship contract prospectus will describe both the timber sale information and the service contract specifications. Potential purchasers are encouraged to seek additional information and consider this non-traditional method of procuring Forest Service timber. These types of contracts will be awarded on a best-value basis.

If you would like additional information on any of the sales, please contact the respective Ranger District Office.

We will continue to mail out the Sale Highlights Sheet as sales are advertised with the full advertisement package posted to the Ottawa National Forest Website at [www.fs.usda.gov/ottawa](http://www.fs.usda.gov/ottawa).

An analysis of past timber sales on the Ottawa National Forest shows no need for Small Business Set-Aside Sales for the coming six month period.
