

CELEBRATING THE 50TH ANNIVERSARY OF THE NATIONAL HISTORIC PRESERVATION ACT

PRESERVING THE IMAGES OF OUR NATION'S HISTORY: A PICTURE SAYS A THOUSAND WORDS PROJECT

In Section 1 (16 U.S.C. 470b) of the National Historic Preservation Act, the Congress finds and declares that it is nevertheless necessary and appropriate for the Federal Government to accelerate its historic preservation programs and activities.

The Sierra National Forest Historic Photograph Collection project began in 2010 to preserve, protect, and share the historic images of the Forest for the nation's use and benefit. Through our commitment to Historic Preservation, these priceless glimpses into our nation's past are being preserved for today, and for the future.
