

PRELIMINARY ADVERTISEMENT
SALE OF NATIONAL FOREST TIMBER

The Forest Service intends to advertise timber designated for cutting in the following proposed timber sale area on the Ozark-St Francis National Forest prior to June 30, 2016. The Dry Branch Timber Sale is located within T10N R20W Section 7 and T10N R21W Section 12. The sale contains a preliminary estimated volume of 6,500 CCF of timber designated for cutting. This advance notice is to afford interested parties time to begin examination of the sale and preliminary sale data and specified road plans prior to the final advertisement. Interested parties may obtain information and maps about the sale area from the District Ranger's Office, Big Piney in Hector, Arkansas or Forest Supervisor's Office, Russellville, AR. Preliminary sale information is also posted on the following website under Quick Links, Timber Bid Information: <http://www.fs.usda.gov/osfnf> . The final advertisement will contain final minimum stumpage rates, bidding provisions, and other sale conditions.
