## **Apache-Sitgreaves National Forests offices will be closed on May 30 in observance of Memorial Day**

**Springerville, AZ; May 19, 2015**—All Apache-Sitgreaves National Forests (ASNFs) offices and ranger stations will be closed on Monday, May 30. Regular business hours will resume Tuesday, May 31.

Despite the office closure, fire personnel, law enforcement officers, and recreation staff will be on-duty on the Memorial Day holiday for the safety of visitors.

Fire restrictions have not been implemented on the ASNFs as of this date. Please keep in mind that campfires, charcoal, coal and wood stoves are permitted at this time, however explosives and fireworks are always prohibited on Forest Service lands.

To report a fire, call 911. If you see smoke, check the Northeastern Arizona Public Information System by dialing 311 or visiting [311info.net](http://311info.net) for updates about possible reported fires in the area.

Follow the Apache-Sitgreaves National Forests on Twitter (@A\_SNFs) or Facebook (<https://www.facebook.com/apachesitgreavesnfs>) for instant updates on forest information, recreational opportunities, and fire restrictions.

**Reminder:** *Always carry a shovel and enough water to extinguish your campfire throughout the weekend, especially when you are away from your campsite (hiking, birdwatching, etc., and before leaving the area).*
