Welcome to the Custer Gallatin National Forest

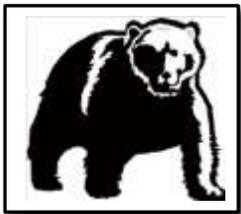

To ensure that everyone has a safe and enjoyable visit, please remember:

Camping is limited to 16 days in any one campground or location.

Dispose of garbage appropriately. Keep our waters clean by disposing of dishwater far away from any water source. Recycle your recyclables.

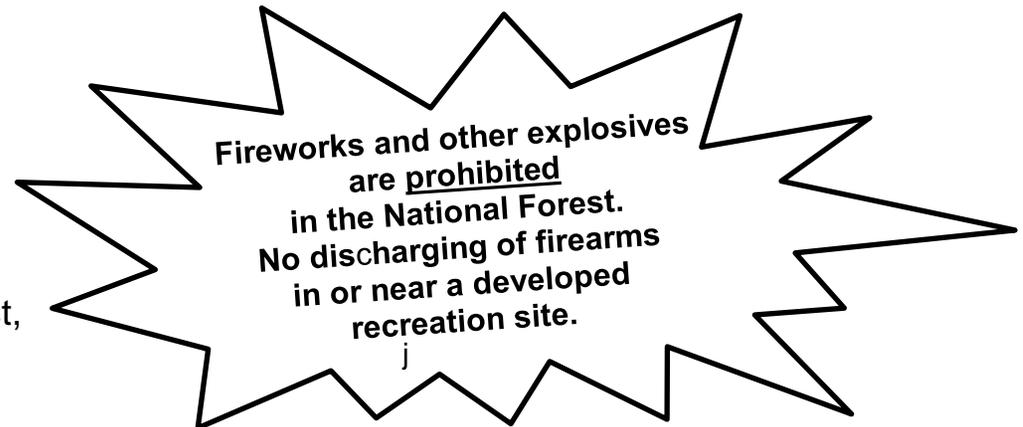

Keep a clean camp. Store all food and wildlife attractants properly. **Food Storage Order requirements are in effect Forest-wide** (except in the Ashland and Sioux Ranger Districts). The safety of others depends upon you!!

CAR CAMPING OUTSIDE OF DEVELOPED CAMPGROUNDS - "dispersed" camping in locations with no facilities is allowed ONLY as specified in the **Custer Gallatin National Forest Motor Vehicle Use Maps**. Where car camping is limited to designated campsites only, all legal car campsites are marked.

Camping with stock is not allowed in most developed campgrounds. Call the local ranger districts for more information, or check our web site for stock facilities.

Fireworks and other explosives are prohibited in the National Forest. No discharging of firearms in or near a developed recreation site.

Be aware that natural hazards exist, even in developed campgrounds and recreation sites.

For more information and photos of these sites, visit our website <http://www.fs.usda.gov/main/custergallatin>
