Furnish quote by 11:00 a.m. e.s.t. June 2, 2016. Email to rkmanning@fs.fed.us

All Vendors doing business with the Federal Government are required to register with the System for Award Management (SAM) before awards can be made. If you have not registered, please visit the website at www.sam.gov. YOUR QUOTE MAY NOT BE CONSIDERED IF REGISTRATION CANNOT BE VERIFIED.

Furnish and deliver to Bedford, IN 47421, a six-wheel drive utility vehicle with the following minimum specifications (a government furnished trade-in will be picked-up by the vendor also):

- Electric start, liquid cooled, electronically fuel injected, 4-stroke, gasoline engine producing 40 or more horsepower
- Automatic transmission with high, low, neutral, and reverse with shaft final output; or equivalent
- Engine braking
- 6x6 capabilities with locking rear differential
- Front and rear hydraulic disc brakes
- Hand operated parking brake capable of holding fully loaded machine stable
- Power steering
- 6-wheel, adjustable, independent suspension
- Minimum 12-inch ground clearance
- Full under-carriage skid protection
- 2000 lb. or better payload capacity
- 2000 lb. or better towing capacity with 2" rear hitch receiver
- 3-person seating capacity with passenger restraint system
- OSHA approved ROPS
- Full instrumentation
- High and low beam headlights, taillights
- Under-seat storage bin
- Front and rear a-arm guards
- Front brush guard, tube style, form-fitted to machine
- Minimum 5,000 lb. winch capable of being mounted in the front or rear of machine using a quick-connect style electrical connector and hitch receiver with pin; must include dash mounted outlet for corded remote control
- Machine must be serviceable within 40 miles of Bedford, IN
- Machine must be compatible with emergency replacement parts, such as tires and wheels, already in stock. Current replacement parts fit Polaris Ranger.
- Delivery to Hoosier National Forest, Brownstown Ranger District, Attn: Jeremy Kolaks, 811 Constitution Ave, Bedford, IN 47421
- Accept and credit for trade of 2013 Polaris Ranger 800 4x4 with self-leveling/heavy duty rear shocks, power steering, front brush guard, tilting poly windshield, metal roof, and winch with approximately 665 miles and 178 Hours; all other accessories shown in current pictures will be removed and retained
